## DOMESTIC RIESLING

**Dryness/Sweetness:** Riesling comes in all levels from bone dry to very sweet depending on the residual sugar (rs) content expressed as % or as g/L (10g/L=1%). The back label should list the International Riesling Foundation ratings of Dry (<1.0% residual sugar), Medium Dry (1.0-2.0%), Medium Sweet (2.1-4.0%), Sweet (>4.1%). The fruitiness and aromatic character of Riesling can seem like a touch of sweetness when the wine may be bone dry. Great with spicy food.
